**"MY PULSATING PUSSY  
JUST GETS ALL CREAMY  
INSIDE WHEN A HOT  
TONGUE CIRCLES MY  
ERECT NIPPLES"**

I've always liked big things all my life. I guess that's why it's no big surprise to me that I was born with big tits. I love looking in the mirror when I get up in the mornings. The first thing that greets me is my kingsize mountains. Maybe some girls would be embarrassed to have so much, but I'm not. I also love to take fresh hot cum from a guy's dick and smear it all over my breasts. I love the attention my breasts receive. I'm a freaky girl when it comes to fucking and things. I like to take cum and spread it over my asshole and then tell my lover to take his tongue and lick it out. I get goosebumps all over from the

mere feel of it.

When a guy is slow fucking my dripping cunt, I'll often tell him to start lip sucking my big tits. That's when he'll usually start drilling my pussy hole slower, with long deep strokes and tongue massaging my tits. My pussy just gets all creamy inside from the feel of that hot tongue circling my nipples and making me melt with passion and pleasure. Perhaps, I'm just a big titties softy. Whatever the case, I still like it big. So, if any of you big dick studs out there would like to fuck a big breasted girl, look me up sometime. Perhaps we can arrange a hot date where you can suck my tits.

# BIG BEAUTIFUL & HOT

**"THERE ARE WOMEN  
WITH NICE BIG TITS  
THAT LOVE TO SHOW  
THEM OFF"**

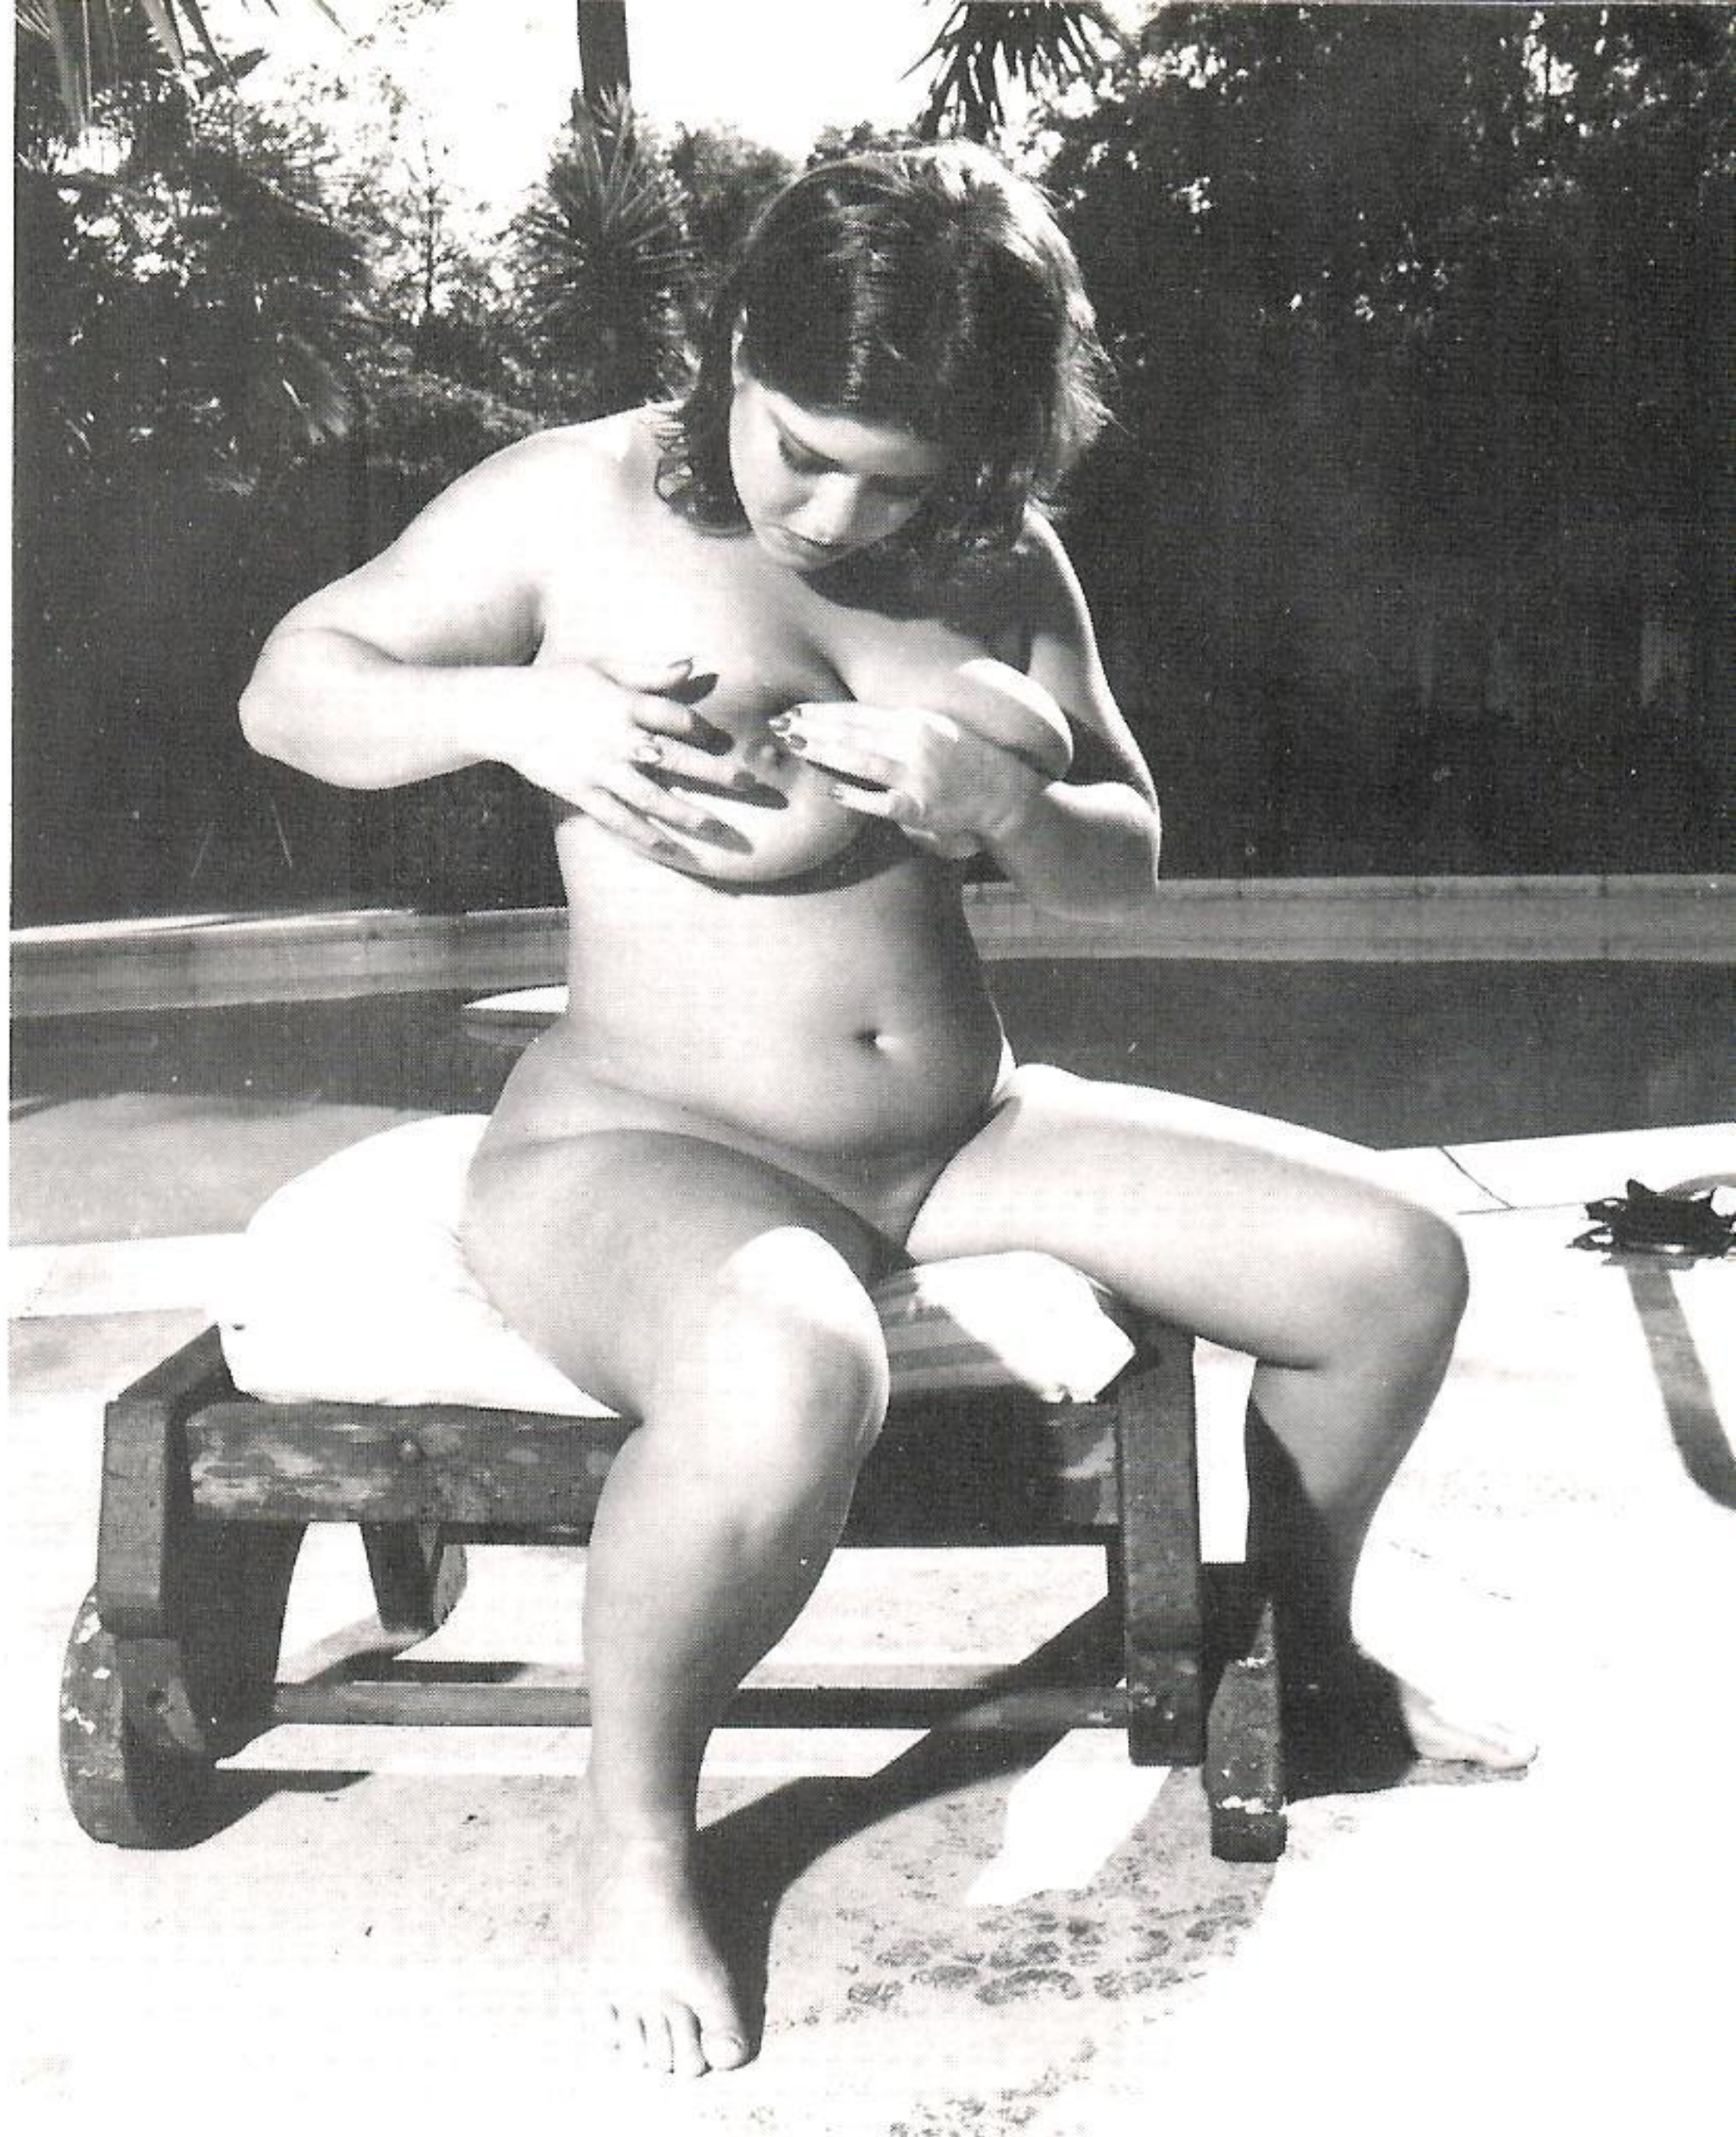

Size thirty-eight is a beautiful  
size for the woman who can

handle it. To see a big thirty-eight  
inch bust on a woman is one thing  
but to see it on a woman that is  
both beautiful and upright is  
another all together. The artistic  
view of a perfect 38 is indeed a  
piece of rare art given to us by  
mother nature in her own unique  
way. The firm stance that they take  
not to mention the round perfect  
curve that they offer is a lusty dish  
for any wet mouth. In this  
potpourri section, we offer you  
our version of some very lovely 38  
specials.

# TIT RECEPTION

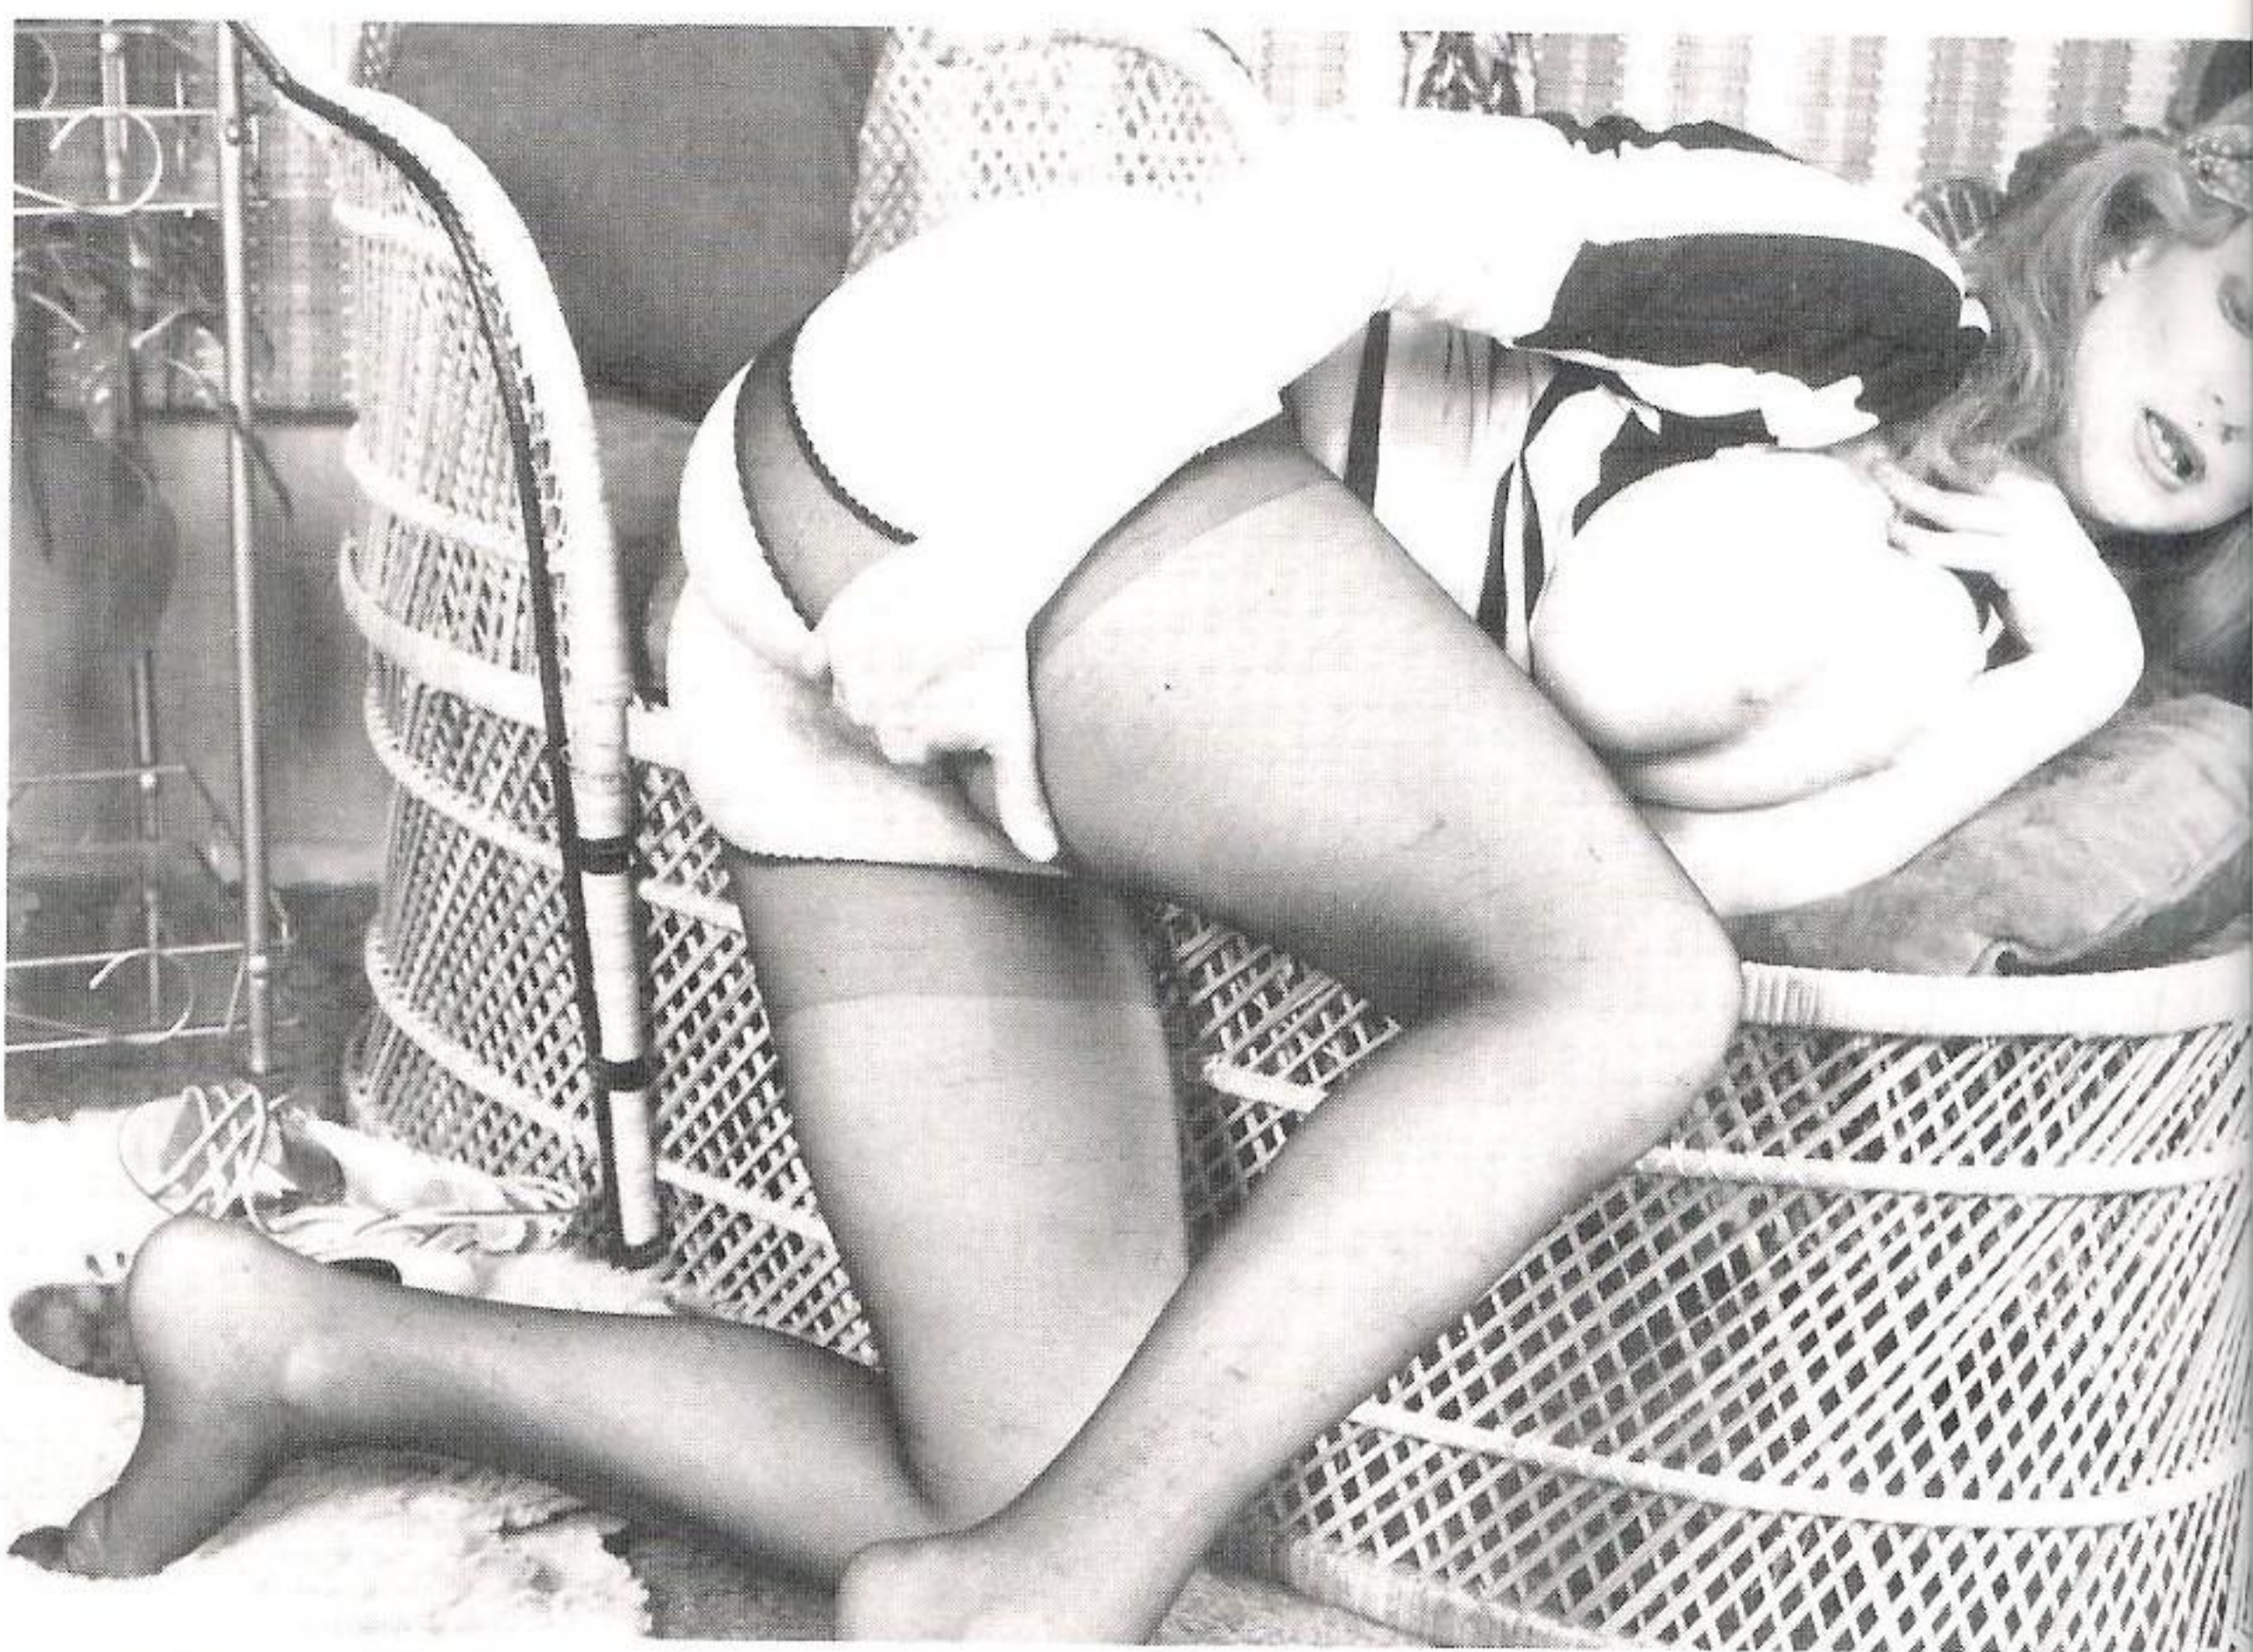

**"JUST BECAUSE I SHOW  
OFF MY BIG BREASTS  
DOESN'T MEAN THAT  
I'M EASY"**

I work at this doctor's office. For the past five years from eight-am, till five-thirty-pm, I've been displaying my breasts for the incoming male patient who dig big titted ladies. Now, don't misunderstand. I don't mean having them displayed where they could actually see me in the nude, but instead, just wearing low cut seductive things that reveal a big portion of what I have to show.

One evening when I was preparing to close the office, the doctor asked me to come into his room for a few minutes. I told him o'kay. When I got inside, he told me to sit down. I had my big tits overflowing from my blouse. I could tell that he was getting aroused, because he kept wiggling in his seat. I was about to pull my dress top up a little when he told me to stop. The next thing I knew, the doctor was damn near on my lap. He had my tits out of my blouse in no time at all. I began panting, when he put his mouth on my nipples. I didn't know what to say so, I just sat back and let the doctor operate. Before ten minutes had gone by, he had me cumming in my pants. I was saying don't stop, while he was slipping my panties from my thighs. When he had them completely off, I quickly felt two of his fingers enter my cum soaked pussy hole. I began to moan loud and breathe hard as he continued to finger fuck my cunt and lip suck my breasts.

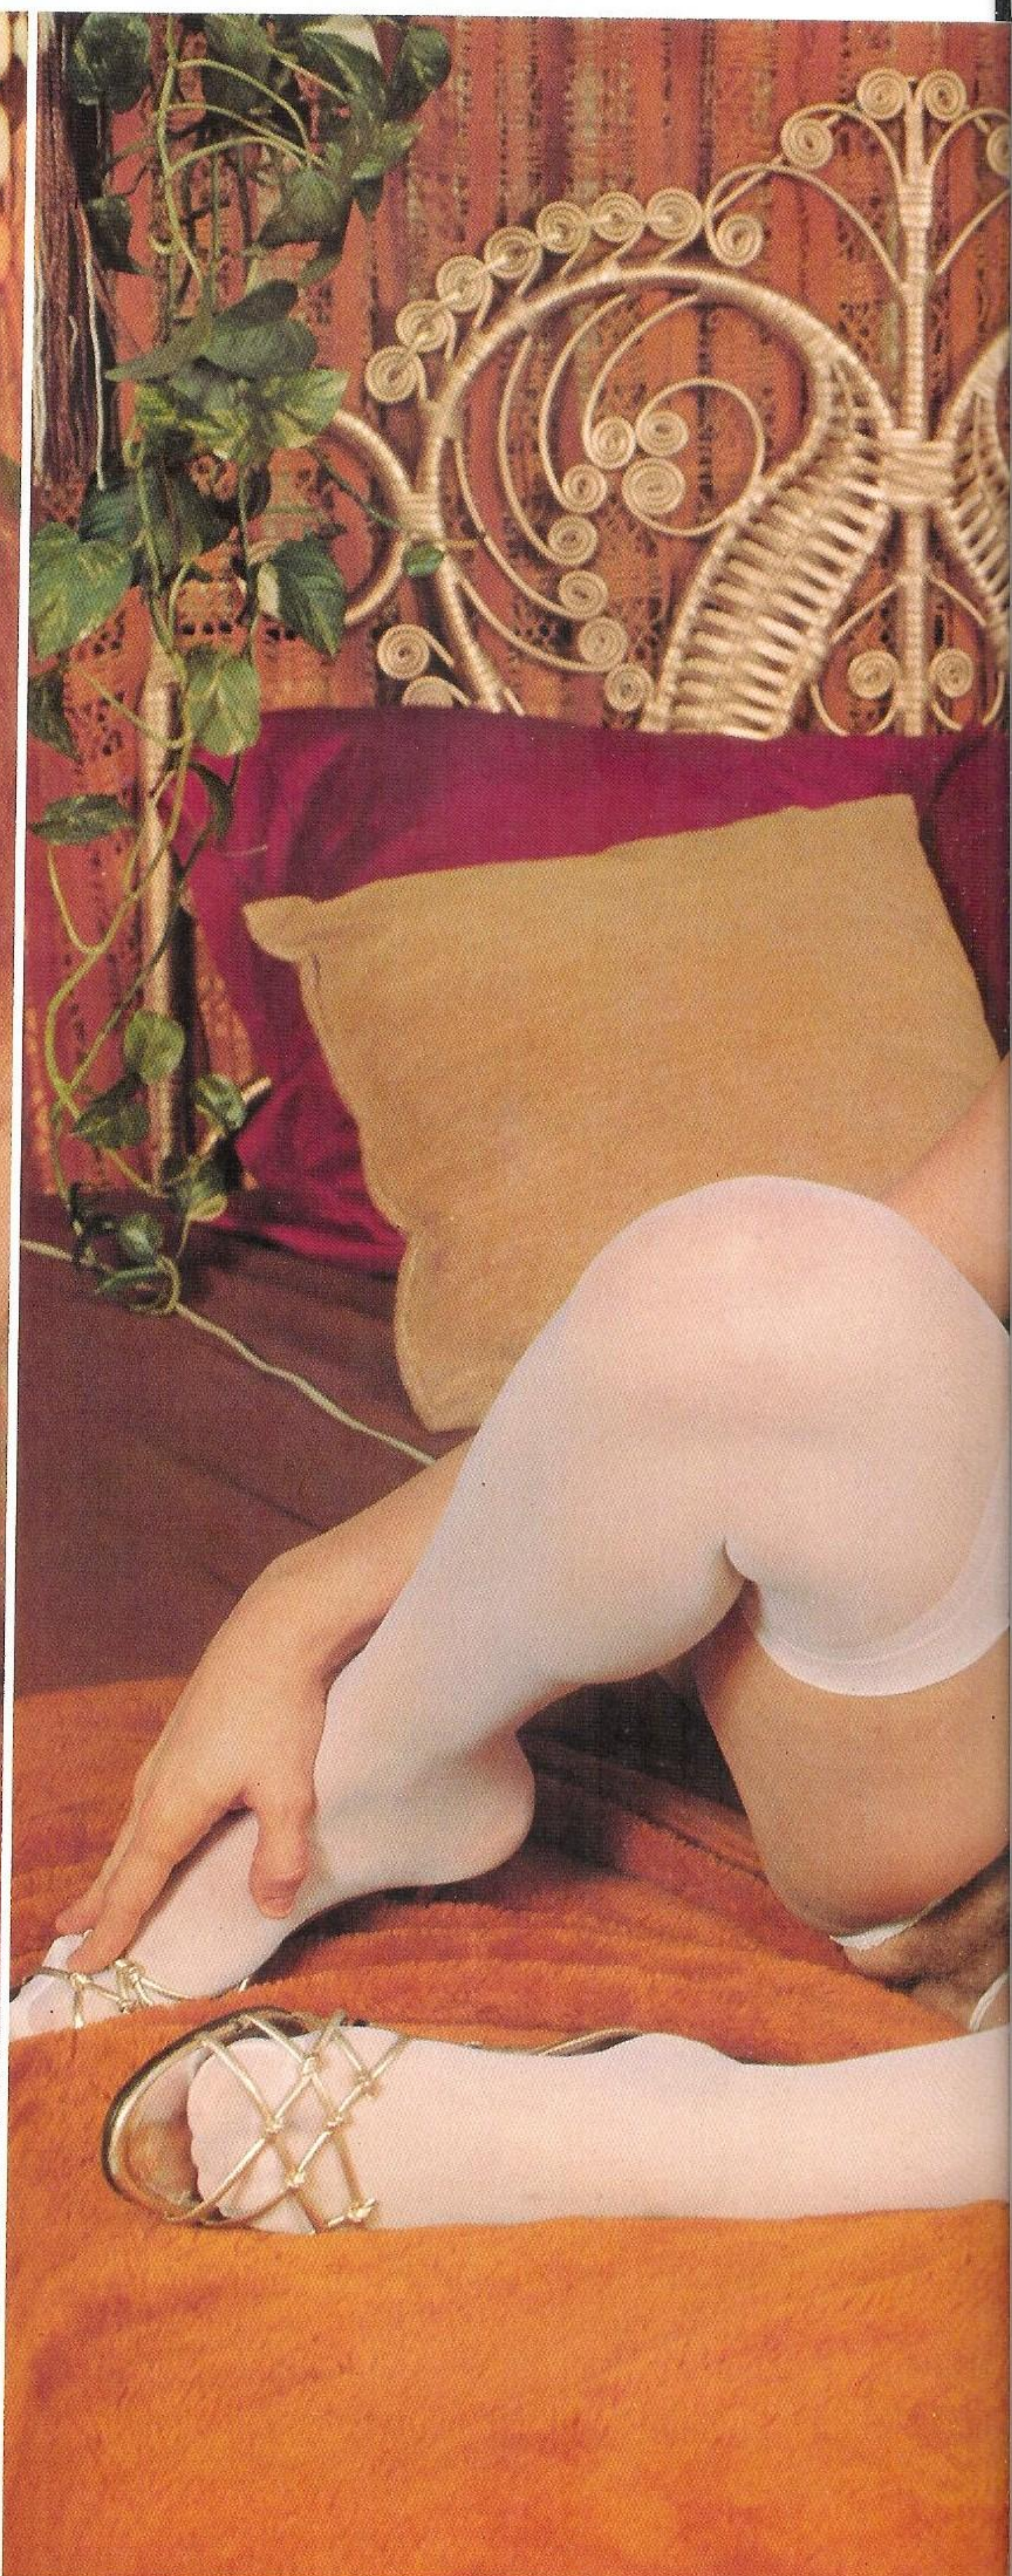

**"I WATCHED HIM  
FUMBLE WITH HIS  
ZIPPER WHILE I PULLED  
OFF MY BRA"**

# BREAST RESEARCH

I'm a librarian by trade, and let me tell you, I get more guys in the library trying to research my tits, more so than a term paper. Some of the other women inside the library get upset, but I can't help that. If I was born with a lot of breasts meat, then I'll just have to flaunt it. If it's one thing I know, that is I'm proud of my tits.

I had this funny experience the other day from some student that was in the library. He looked so homely and so innocent, that I never thought anything of the fact when he asked me into the mythology room and locked the door. Once inside, I asked him what was it he was looking for. He told me that he had already found it. Before I could protest, he had me backed into a corner with his hands all inside my blouse. His fingers were busy working over my nipples on my breasts. I wanted to scream, but his mouth quickly covered mine. I was trying to breathe and clear my head all at once, but his strong sexual games just had me buckling under. When I found myself on the floor with my blouse off and my skirt hiked up, I knew then, I was at a point that I wouldn't be able to quit. I told him to fuck me and fuck me strong. I was hot and I wanted to feel myself cum. I wanted to have my cum juice run down my thighs while this guy would fuck me till I cried. Well, I got my wish from his giant dick stick. By the time that day was over, he had fucked me in every hole I had. I had to sneak in the back room and wash all the cum from my body. Even till this day, I get hot just thinking about how that young college student fucked me. My breasts still tingle with anticipation of another encounter.

**"I'M PROUD TO FLAUNT  
THE BREASTS THAT I  
WAS BORN WITH, EVEN  
IF THEY ARE BIG"**

**"HIS FINGERS WERE  
BUSY WORKING OVER  
MY NIPPLES WHILE MY  
HAND MASSAGED HIS  
HARD DICK"**

**“MY BREASTS STILL TINGLE WITH  
ANTICIPATION OF ANOTHER  
ENCOUNTER WITH HIS SWEET  
FUCKING COCK”**

# SWEET TIT TALK

**"THE MORE HE FUCKED ME THE MORE I WANTED. WHEN HE ASKED IF HE COULD SHOOT HIS SCALDING CUM ON MY TITS, I TOLD HIM TO GO FOR IT"**

I was sitting at this coffee shop just sipping on a capachino, when this beautiful guy came up to me and asked to sit down. I was so taken by surprise that I didn't say anything. He ordered a capachino also and we got to talking.

After ten minutes, he knew everything about me. He told me that if I wanted to find out about him, I'd have to come to his apartment. I knew what he had in mind, so I went. I did notice that he couldn't keep his eyes off my breasts while we were in the coffee shop. When we reached his place, I found out that he couldn't keep his hands off them. I was so hot and horny from not having a giant cock slide into my cum hole, that I had to restrain myself from attacking him. When he turned his back to me and went over to the stereo to put on some sexy music, I took the opportunity to slide my blouse off and unhook my bra. When he turned around and faced me, I saw him get an instant erection. His dick got so hard, it looked like it was going to burst through his pants. I never knew that my big tits could have such an affect upon a man. When he sat down next to me, he started telling me how much he liked the feel of my tits against the palms of his hands. Seconds later, I also found out how his tongue liked the erection my nipples provided for it. I began squirming and cumming all over the place. Before the night was over, I had the guy titty fuck me. He left a lot of cum on my tits.

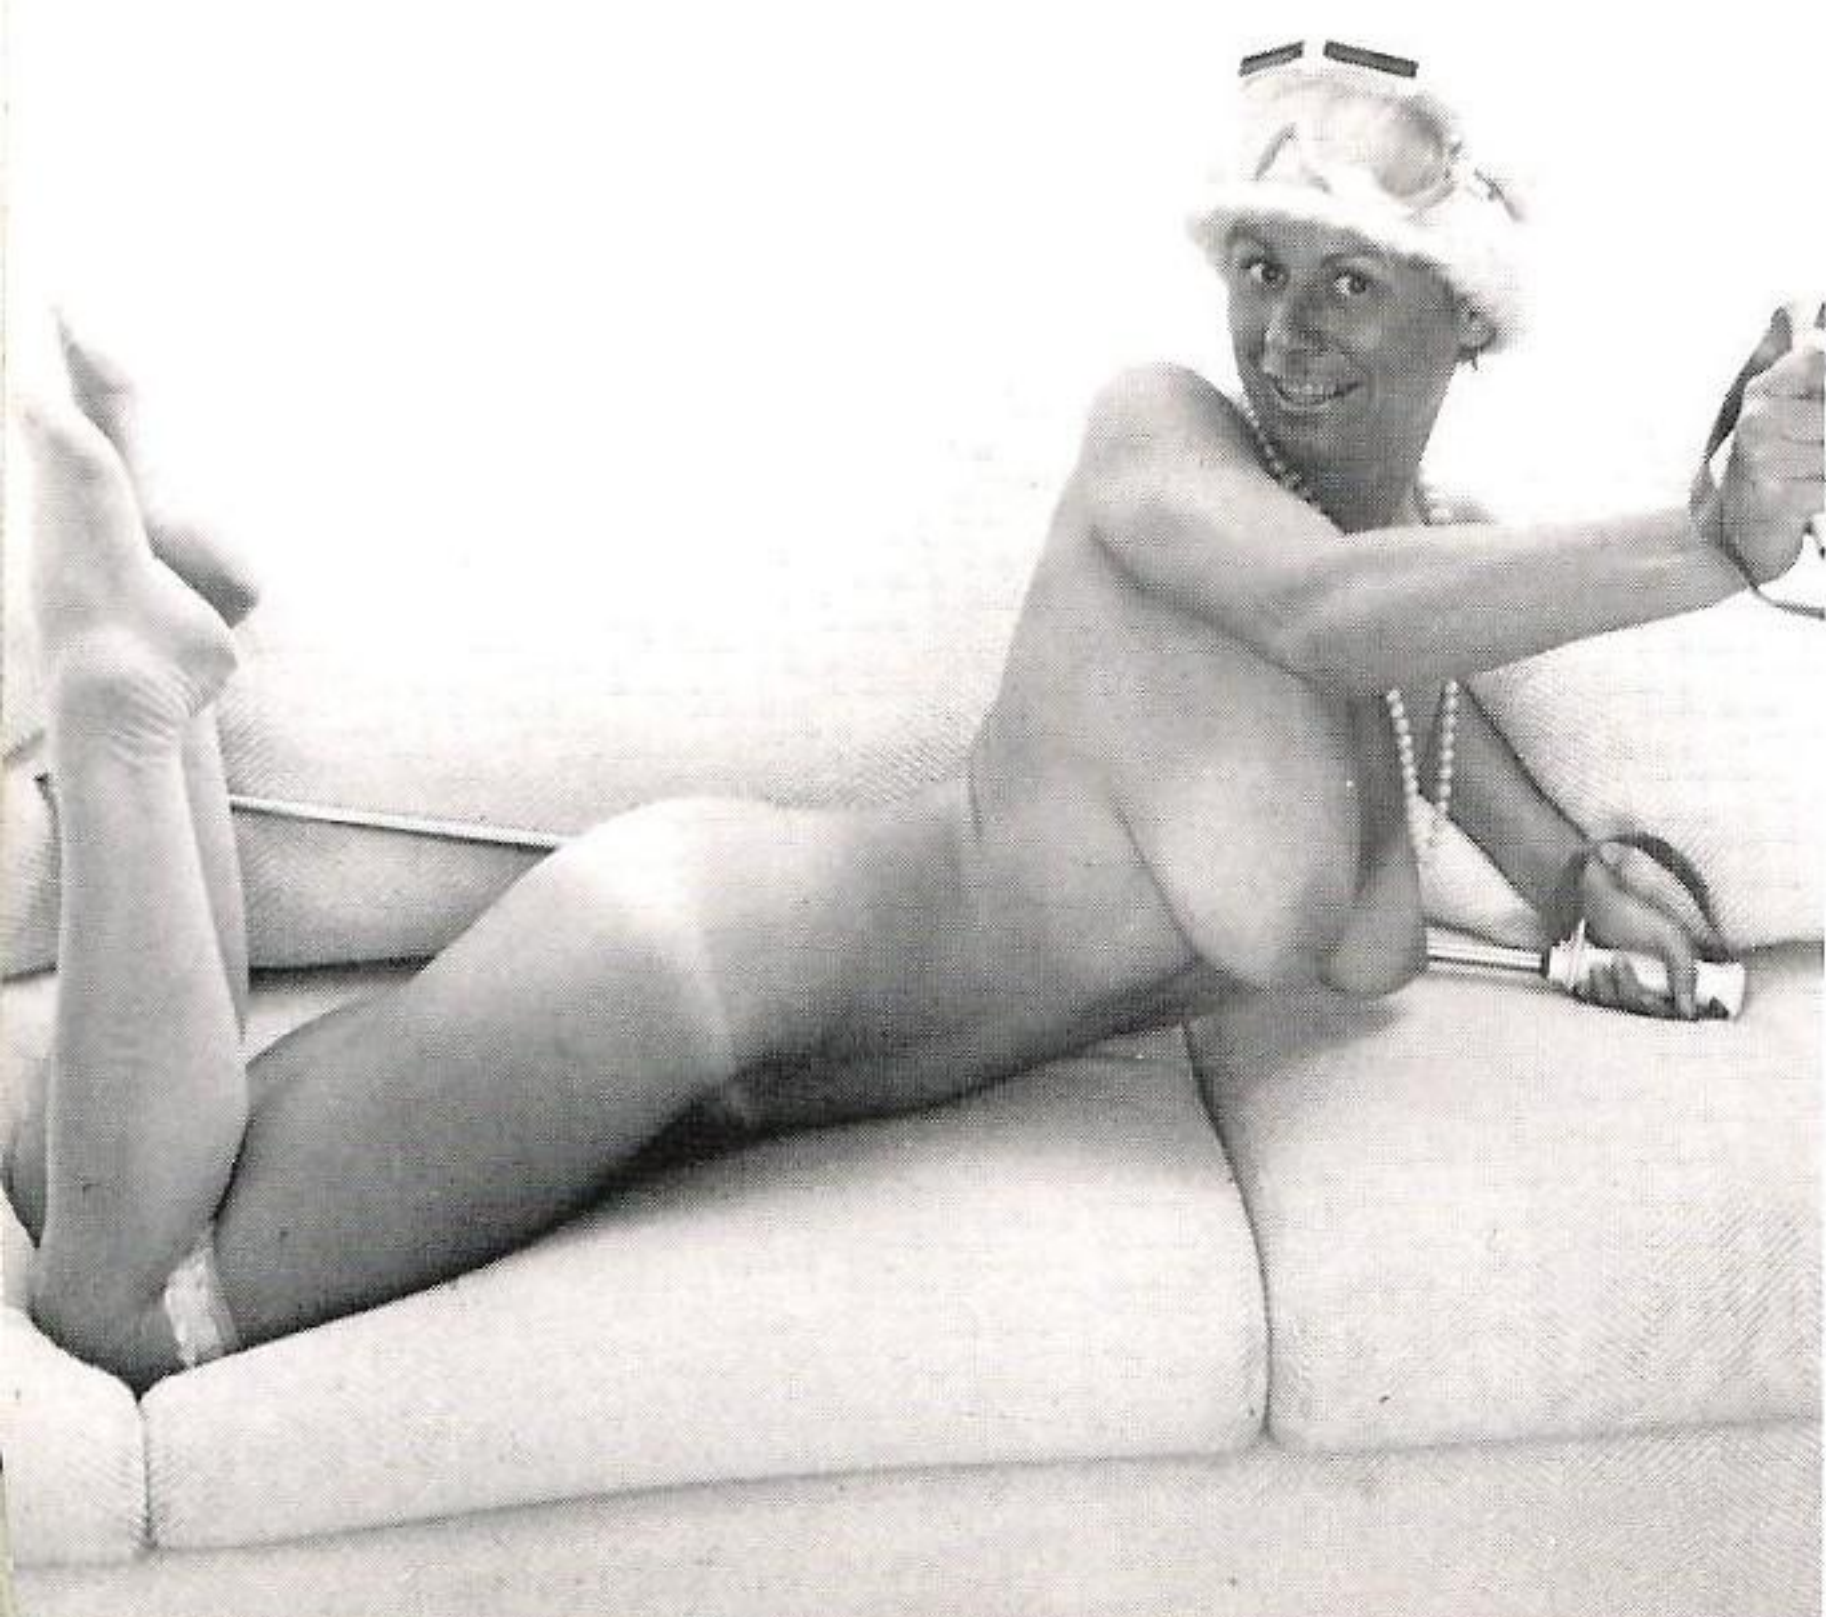

**"HE PUT ON  
SOME SEXY  
MUSIC WHILE  
I STARTED  
TO UNDO  
MY BLOUSE"**

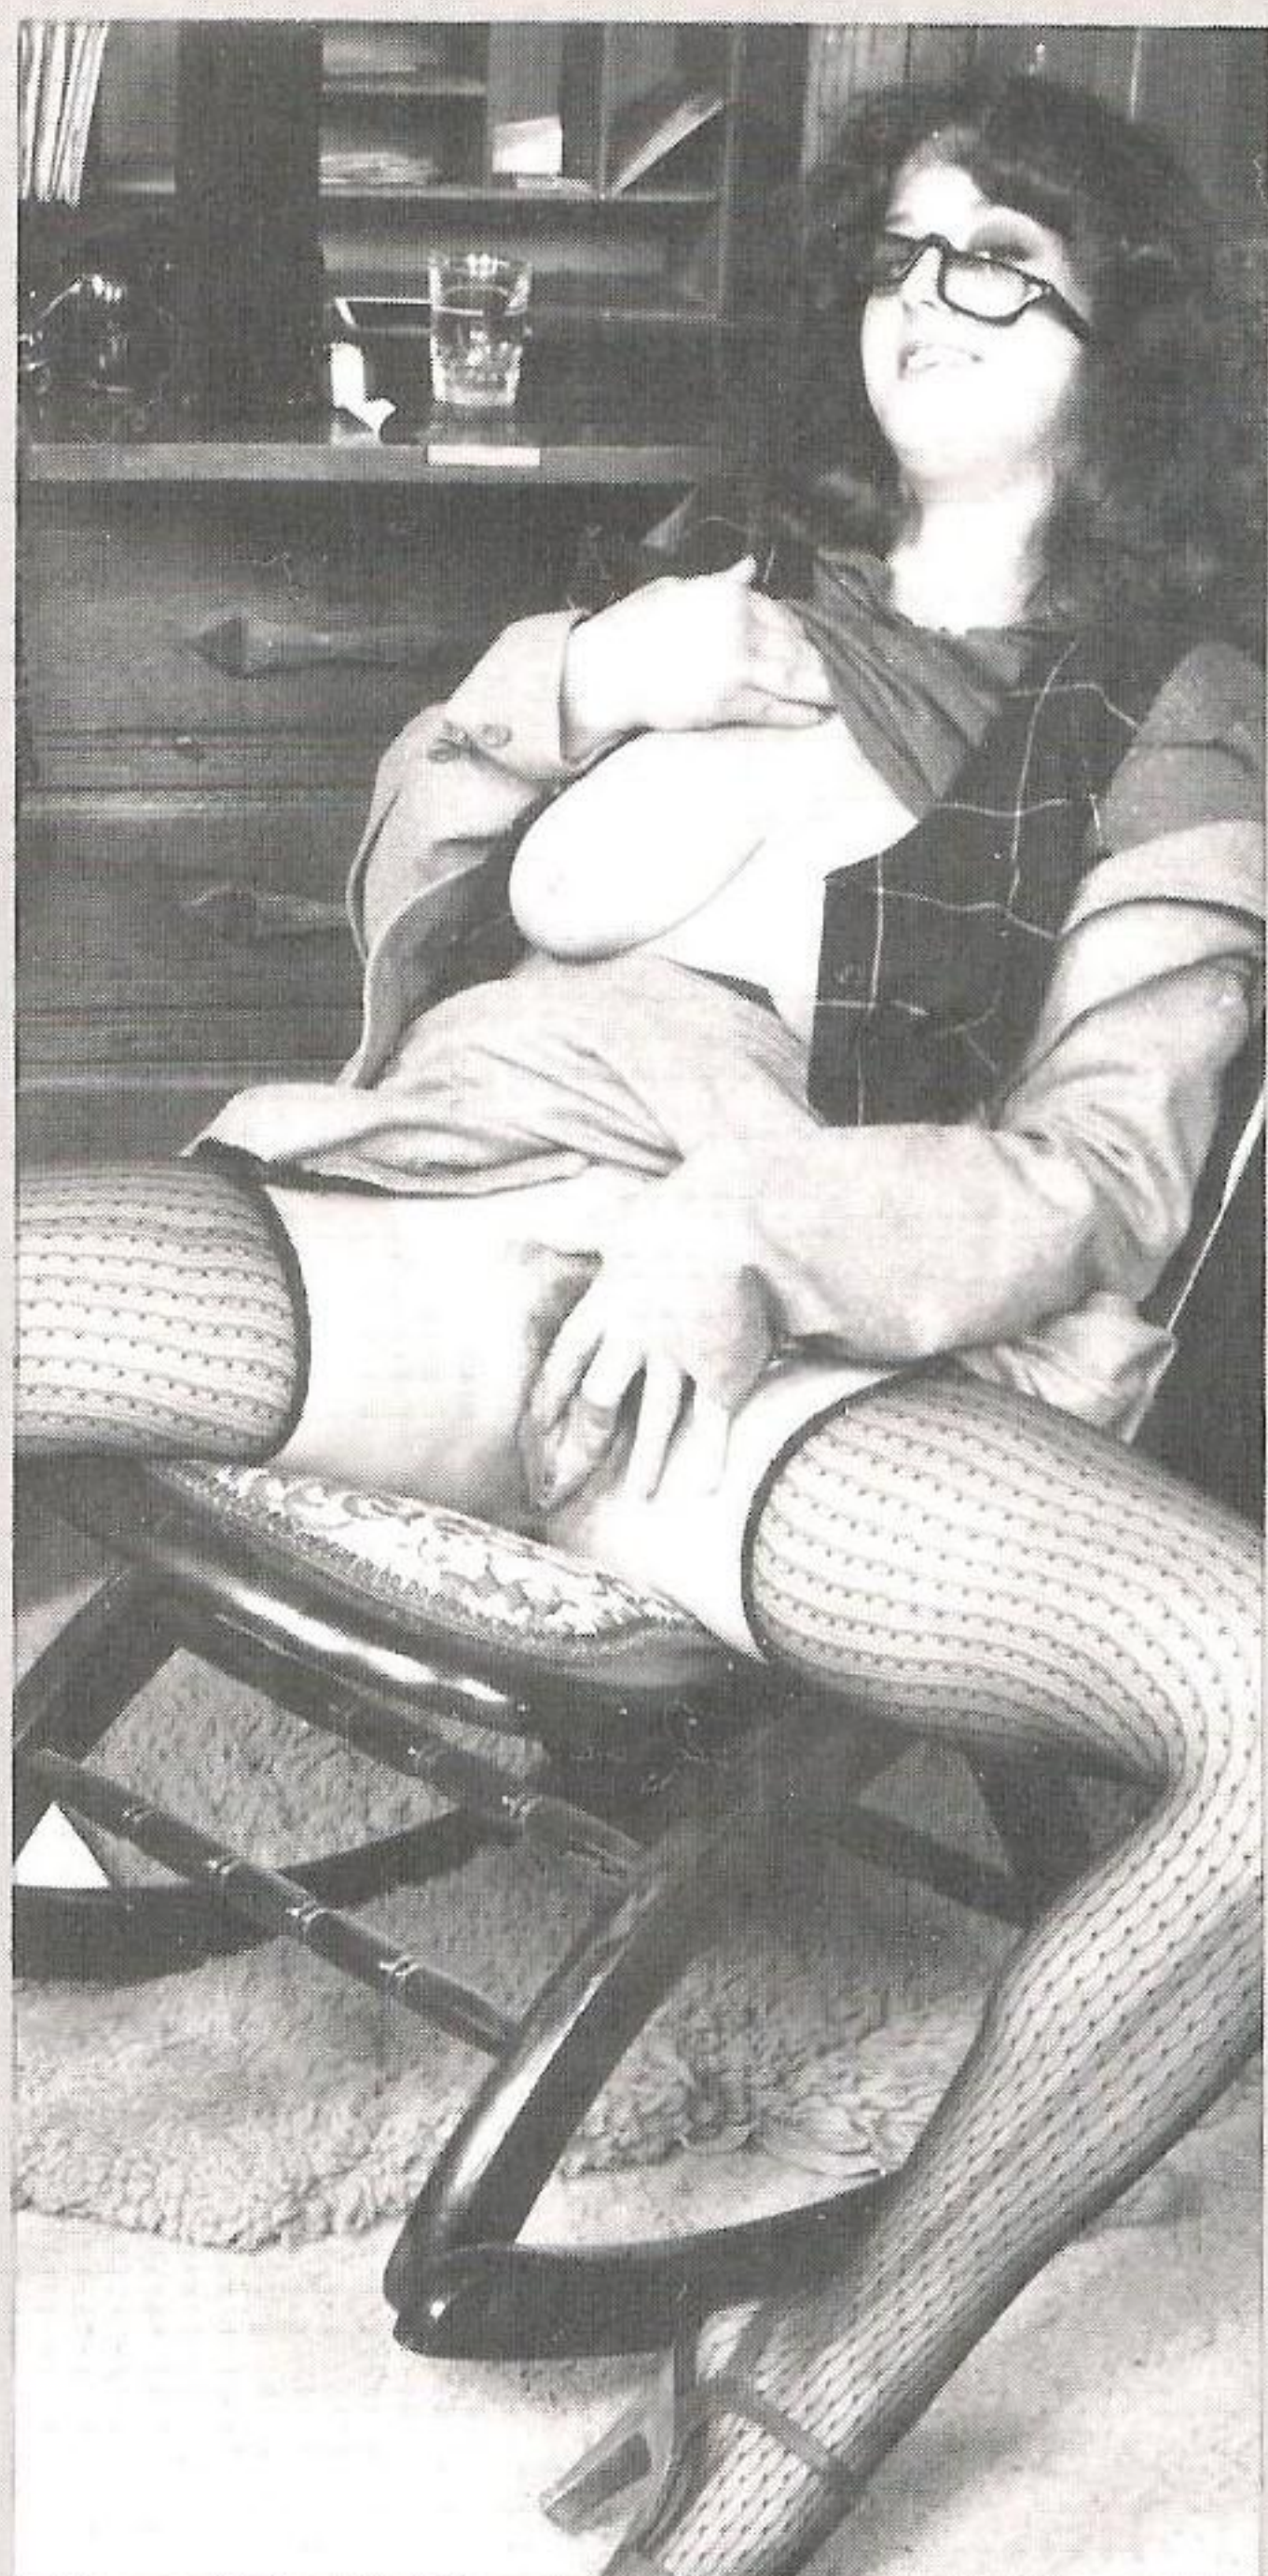

# MOUNTAINS OF JOY

**"I LIKE THE FEEL OF HOT CUM ALL OVER MY BREASTS"**

My tits are extremely sensitive. They get me into trouble more often than my pussy does because they demand so much attention and are so easily turned on. If a guy just brushes against me and happens to nudge one of my tits with his elbow, my nipple gets so erect, it pokes right through the fabric of my blouse and gives me away. Naturally, that makes the guy excited and he's all over me wanting to fuck. Then my other tit gets turned on by that idea and I'm going crazy trying to shut them up. Really! So before I know it, I'm in some dark corner with a stranger, shoving my tits into his mouth one at a time. When they get really hard and the nipples are pointed and rigid, I know it's time to fuck the guy. I let him fuck my cunt for a while, but I always make him cum on my tits. I like it when the guy puts his rod right between the two of them, so I can watch the head of his cock pop through. Then I want the cum all over my breasts, like snow on the mountain tops. If I didn't love getting my tits fucked and sucked so much, I know I'd be more selective about the company I keep. I'm a victim of circumstance—I was born a breast erotic.

**"WHEN A MAN WANTS TO FUCK MY  
TITS I DON'T PUT UP A FUSS LIKE  
SOME WOMEN DO"**
